JD-BASED TRAINING

PIBM's course curriculum is developed by integrating the Job Descriptions & KRAs of various Job Profiles from various domains of the Industry into the training methodology making the Curriculum Outcome & Competency Based.

SCPS

SCPS stands for Sector - Company - Product/ Service aspect of learning any Management concept. With the SCPS methodology, any topic which is taught is explained with real-world application in various sectors, on different products or services of several companies.

SECTOR TRAINING

The objective of management education at PIBM is not only to train students in Business Theories & Concepts but also to make them understand where the Real Practical Application lies in various sectors or industries. We understand that every sector is different and PIBM students are trained keeping that in mind. Trainers at PIBM ensure that students have the intelligence and the intellect to deal with any challenges faced in their sector of specialization.

PIBM STUDENTS ARE TRAINED EXTENSIVELY ON THE FOLLOWING SECTORS

ADVANCED INDUSTRY - ALIGNED TRAINING

CORPORATE INTERACTION - EVENTS, SESSIONS, WORKSHOPS

At PIBM, students gain practical exposure to real-world business challenges through regular industry interactions. Our partnerships with over 1000 MNCs and 850+ corporate leaders provide training in leadership, problem-solving, creativity, and communication. Events like Corporate Weekends, Pioneer Convergence, and industry visits ensure experiential learning, while panel discussions and knowledge-sharing sessions with top corporate heads offer ongoing opportunities for direct industry engagement. This holistic approach prepares students for success in the corporate world by connecting classroom learning to real-life management practices.

INDUSTRY VISITS

At PIBM, students participate in 20+ industry visits each semester, gaining first-hand exposure to real business environments. Visits across manufacturing units, corporate offices, and retail operations around Pune help students understand organizational functions and interact directly with industry professionals. Key sectors include automotive, FMCG, IT, and retail, offering valuable insights into real-world business practices.

LIVE PROJECTS

Live Projects at PIBM are embedded into the curriculum to deliver hands-on industry experience. Students work on 50+ real business projects across marketing, finance, and operations, solving practical challenges and implementing strategic solutions. These projects strengthen analytical thinking, communication, leadership, and problem-solving skills, effectively bridging the gap between academics and corporate expectations.

INTERNSHIPS - BUILDING KNOWLEDGE & EXPERIENCE

At PIBM, students participate in two key internship programs: the Winter Internship Program (WIP) and the Summer Internship Program (SIP).

- The Winter Internship Program (WIP), conducted after the first semester for 30-45 days, allows students to explore various sectors like Manufacturing, Retail, FMCG, IT and Banking. This hands-on experience helps them understand company operations, departmental functions, and management processes, providing clarity on their preferred specialization.
- Following the WIP, the Summer Internship Program (SIP), held after the second semester for 60-90 days, offers an in-depth experience in the chosen domain. Students gain a deeper understanding of job profiles, skill sets, and corporate dynamics, preparing them for their careers.

CORPORATES SPEAK

Mr. Ramesh Iyer
VC & MD - Mahindra
& Mahindra Financial Services

PIBM's strength lies in aligning individual student development with industry-specific needs. Students are trained for sectors such as FMCG, Consumer Durables, Financial Services, Telecom, and more, using globally recognized case studies and real corporate practices. The institute consistently bridges the gap between theory and real-world application, ensuring students are corporate-ready from day one.

Mr. C. P. Gurnani
MD & CEO - Tech Mahindra

PIBM stands out for its innovative learning approach and strong industry integration. The commitment of the faculty and placement cell in enabling corporate exposure, live interactions, and career opportunities is evident—not just in the systems, but in the mindset of the students, who are enthusiastic, curious, and future-focused.

Mr. Ashish Chandra
CEO & MD - Bharti Airtel

PIBM students show a strong hunger to understand how management concepts work in real corporate environments. Training goes beyond fundamentals to real industry application—helping students connect theory with how businesses actually operate.

Mr. Arvind Hali
MD & CEO - Motilal Oswal Home Loans

PIBM actively prepares students for corporate realities. Its focus on practical training ensures students enter the workforce equipped with relevant knowledge, experience, and confidence to handle real responsibilities from the start.

HEAR FROM OUR SUCCESSFUL ALUMNI

PIBM's MBA program gave me strong exposure to real-world business problem-solving and cross-functional thinking. The structured practical learning approach played a key role in preparing me for a managerial role in a global organization like BP.

Jasmeet Singh Chhabra

Project Manager

The PGDM Finance program at PIBM provided me with a solid foundation in finance along with hands-on exposure to ERP and SAP-based learning. The focus on certifications, practical training, & industry-relevant tools helped me understand how finance operates in real corporate environments.

Aashi Mishra

SAP Finance Consultant

At PIBM, the finance-focused curriculum and exposure to risk, compliance, and audit concepts helped me gain clarity about my career direction. The case-based learning, industry interactions, and JD-oriented training enhanced my analytical and problem-solving skills.

Ritik Jain

Assurance

PIBM's advanced curriculum helped me gain knowledge about my domain and gain practical experience. The industry-aligned curriculum also helped me learn in-demand skills and boosted my confidence.

Tithi Chakraborty

Global Tax Consultant

The logo for Deloitte, featuring the word "Deloitte" in a bold, blue, sans-serif font with a small green dot at the end.

My learning journey equipped me with both theoretical insights and hands-on experience in the domains I focused on. I'm grateful to my mentors for their constant support and guidance, which helped me secure a role in a prestigious company.

Mihir Shishir Parkhie

EPS SCM - Consultant

The logo for Cognizant, featuring a stylized blue and green diamond shape followed by the word "cognizant" in a lowercase, sans-serif font.

Thank you PIBM for such a transformative journey with Finance-focused unique teaching pedagogy. The college helped me with training in Equity Research, Financial Statement Analysis, and Financial Modelling.

Ayush Sarda

Operations Analyst

The logo for BNY, featuring a stylized blue arrow pointing right followed by the letters "BNY" in a bold, black, sans-serif font.

In the last 2 years of the PGDM program at PIBM, I learned about marketing and operations with both theoretical and practical exposure. The college and mentors allowed me to polish up my skills to get confidence and getting placed at Bajaj Allianz General Insurance.

At PIBM, we get the opportunity to gain Industry Exposure during our studies. This allowed me to learn in-demand marketing skills. The mentors at PIBM helps you in improving your overall skills by providing personalized training.

I am thankful for PIBM's rigorous training, industry exposure through dual internship programs, and certification programs aligning with Marketing & Sales, JD-based training & real-world case studies, which proved invaluable for getting placed at Dabur.
