Insights from Alumni Feedback

1. It was suggested to utilize platforms like Coursera, edX, and LinkedIn Learning to gain new skills and knowledge. These can complement the curriculum and provide certifications that enhance your resume.

2. It was suggested that in the digital age, proficiency in tools like Microsoft Excel, Google Analytics, and CRM software is essential. Consider taking additional courses to improve your technical skills.
3. It was suggested that business environment is constantly changing, especially in light of the COVID-19 pandemic. Be open to change and ready to adapt to new circumstances, whether that means remote working or pivoting business strategies.
4. The Alumni were happy to learn the online mode of education that the college had subscribed to online mode of classes in light of the Pandemic.
5. It was suggested that a virtual interaction is organized between the industry and the academia in light of the ongoing pandemic
1. **Mr Alisha Cicily Kerketta:** It's a privilege to be connected to this institution. A place where I gained knowledge, best needed for the survival in outer world and confidence. Right from day 1 energy and enthusiasm is what I experienced. I am what I am this day because of the curriculum, the teaching methodology adopted by the institute. An Amazing institution which teaches you self discipline, confidence and problem solving an essential traits to start your journey.
6. **Ms. Ashtha Khullar:** I have truly benefited from the sector specific learnings. The discipline of this institute enabled me to gain professional competency which helped me in my professional life
